

ELECTRIC AVENUE CONTRACTOR INCENTIVE PROGRAM

TERMS AND CONDITIONS (CANADA)

Effective Date: March 1, 2026

These Terms and Conditions (the “Agreement”) govern participation in the Electric Avenue Contractor Incentive Program (the “Program”) offered by Electric Avenue Inc. (“Electric Avenue,” “we,” “us,” or “our”). By enrolling in, accessing, or participating in the Program, the participating contractor (“Contractor,” “you,” or “your”) agrees to be legally bound by this Agreement.

1. PROGRAM DESCRIPTION

The Program is a rebate and rewards initiative available to eligible Electric Avenue–Certified Installers for verified and networked Electric Avenue electric vehicle charging station installations completed within Canada. Subject to the terms herein, Contractors may earn cash rebates, reward points, and tier-based benefits.

2. ELIGIBILITY

To participate in the Program, Contractor must, at all times:

2.1 Be a private business entity. Public sector entities, including but not limited to municipalities, Crown corporations, government agencies, and other public or quasi-public organizations, are not eligible to receive rebates.

2.2 Hold and maintain Electric Avenue–Certified Installer status in good standing, including completion of all required certification, training, and refresher courses through Electric Avenue University.

2.3 Maintain commercial general liability insurance meeting Electric Avenue’s minimum coverage requirements and provide proof of such insurance upon request.

2.4 Perform qualifying installations physically located in Canada. Rebates are available only for installations completed in Canada. Electric Avenue reserves the right to verify eligibility at any time and to suspend or terminate participation where eligibility requirements are not met.

3. CERTIFICATION STATUS

3.1 Contractor must complete all mandatory refresher courses and additional training as may be required by Electric Avenue from time to time.

3.2 If Contractor fails to maintain current certification status, Contractor’s participation in the Program shall be paused until certification requirements are satisfied.

3.3 During a paused status:

(a) Contractor shall not accrue additional reward points; and

(b) Payment of any pending rebates shall be withheld. Participation and payments shall resume only upon restoration of active certification status.

4. VERIFIED INSTALLATIONS

Only Verified Installations qualify for rebates and reward points.

An installation is a Verified Installation only if:

- (a) the charging station is installed in accordance with applicable laws, codes, and manufacturer requirements;
- (b) the charging station is brought online and connected to Electric Avenue's Charging Station Management System (CSMS) at the time of installation;
- (c) installation details are accurately submitted through the Contractor Incentive Portal; and
- (d) the charging station is confirmed by Electric Avenue to be online and transmitting valid data.

Electric Avenue may audit, validate, or reject any submitted installation in its sole discretion.

4.1 Calendar-Year Submission and Approval Requirement To qualify for rebates, the Contractor must submit each installation through the Contractor Incentive Portal within the same calendar year in which the installation occurred, and the installation must be approved by Electric Avenue within that same calendar year. Installations submitted or approved outside of the applicable calendar year are not eligible for rebate payment, even if otherwise verified.

5. ELIGIBLE PRODUCTS

Only installations of Electric Avenue charging stations designated as eligible by Electric Avenue qualify for rebates and reward points.

Eligible products are determined by specific product models and associated serial number prefixes.

As of the Effective Date, eligible products include:

- Watti Home Gen2S (prefix: WHG2S)
- Watti Pro Lite S (prefix: WPLS)
- Watti Pro Echo (prefix: WPE)
- Watti Pro Gen2 Slim (prefix: WPG2S)
- Watti Pro Gen2 (prefix: WPG2)
- Watti Direct Gen2 (prefix: WDG2)

Electric Avenue reserves the right to modify the list of eligible products at any time, including adding or removing eligible models without prior notice.

Any installation submitted with an invalid, altered, or unverifiable serial number or model designation may be rejected and disqualified from the Program.

6. REBATES AND REWARD POINTS

6.1 Rebate and Point Structure

Subject to verification and compliance with this Agreement, Contractor may earn the following per Verified Installation:

- Level 2 Residential Station: 25 reward points and CAD \$300
- Level 2 Commercial Station: 100 reward points and CAD \$300
- DC Fast Charger (DCFC): 1000 reward points and CAD \$2000

All rebate amounts are stated in Canadian dollars.

Electric Avenue reserves the right to modify rebate amounts and reward point values at any time, with or without prior notice. Any such changes will apply only to Verified Installations completed on or after the effective date of the change.

6.2 Rebate Availability and Funding

Rebates are available only while Program funds remain available. Electric Avenue may stop issuing rebates immediately upon depletion of available Program funds for the applicable calendar year, with notice provided to Contractors.

6.3 Rebate Submission and Payment Contractor may submit invoices through the Contractor Incentive Portal no more than once per calendar month. Contractor may consolidate multiple Verified Installations into a single invoice submission at its discretion. Electric Avenue reserves the right to reject or defer duplicate submissions within the same calendar month.

Rebates may be paid by electronic funds transfer (EFT). Contractor is responsible for providing accurate banking information. Electric Avenue shall not be liable for payments made in good faith to the account details submitted by Contractor.

Participation in the Program does not guarantee rebate payment. All rebates are subject to verification, approval, and availability of Program funds.

6.4 Taxes Contractor is solely responsible for all applicable taxes arising from participation in the Program.

7. CONTRACTOR INCENTIVE PORTAL

Contractor shall use the Contractor Incentive Portal to:

(a) submit installation details, including EVSE ID, serial number, station location (address), installation date, and charger type;

- (b) track verification status and rebate approvals;
 - (c) view earned rebates and reward points;
 - (d) redeem reward points when redemption functionality becomes available; and
 - (e) monitor tier status.
-

8. PROGRAM TIERS AND BENEFITS

8.1 Tier Structure

Tier status is determined by cumulative reward points earned:

- Certified Installer: 0–124 points
- Elite Installer: 125–2000 points
- Super Elite Installer: 2001+ points

8.2 Tier Benefits

Tier benefits may include, subject to availability:

- Certified Installer: website listing, digital badge, certificate, and map listing.
- Elite Installer: Certified benefits plus swag pack, point redemption eligibility, and Gold RFID card.
- Super Elite Installer: Elite benefits plus points multiplier, Super Elite swag pack, Platinum RFID card, and preferred installer status.

Electric Avenue may modify tier benefits at its discretion.

9. PROGRAM MODIFICATION AND TERMINATION

Electric Avenue reserves the right to modify rebate amounts, point values, tier thresholds, or Program benefits upon thirty (30) days' notice. Electric Avenue may suspend or terminate the Program at any time.

10. AUDIT, COMPLIANCE, AND DISQUALIFICATION

Electric Avenue may audit Program participation and deny, revoke, or claw back rebates or points for inaccurate submissions, fraud, abuse, or non-compliance.

10.1 Fraud and Misrepresentation Contractor represents and warrants that all information submitted is accurate and truthful. Prohibited conduct includes:

- False or misleading submissions
- Duplicate claims

- Submitting installations not completed by the Contractor
- Manipulating serial numbers or installation data
- Claiming incentives for ineligible products

Electric Avenue may deny, claw back, or recover rebates and terminate participation for such conduct.

10.2 Clawback Rights Electric Avenue may revoke or recover rebates or points if an installation is later found to be non-compliant, improperly installed, non-functional, or fraudulently submitted.

11. MARKETING AND LISTINGS

Contractor grants Electric Avenue a non-exclusive right to list Contractor's business name and service area.

12. INDEPENDENT CONTRACTOR STATUS

Contractor is an independent entity and is not an employee, agent, or partner of Electric Avenue and has no authority to bind Electric Avenue.

13. NO RELIANCE

Contractor acknowledges that Electric Avenue does not provide installation advice, engineering services, or project-specific guidance. Any materials or training are for general informational purposes only.

14. LIMITATION OF LIABILITY

11. Contractor is solely responsible for all installation work, including design, permitting, compliance, and execution.

Electric Avenue does not supervise, inspect, or approve installation work and provides no warranty or guarantee of installation quality.

Electric Avenue shall have no liability for any damages, losses, injuries, or claims arising from installation work, including but not limited to property damage, personal injury, code violations, or system failures.

Contractor agrees to indemnify and hold harmless Electric Avenue from any claims arising from Contractor's work.

In no event shall Electric Avenue's total liability exceed the total rebates paid in the preceding twelve (12) months.

15. GOVERNING LAW

This Agreement shall be governed by the laws of the Province of Nova Scotia and the federal laws of Canada applicable therein.

16. FINAL DETERMINATION

Electric Avenue has sole discretion to interpret Program rules and determine eligibility. All decisions are final.

17. ACCEPTANCE

By participating in the Program, Contractor agrees to these Terms and Conditions.
